

4SProducts Reseller/Distributor Application

4SProducts power and communication-cabling products are sold in the United States and internationally.

In today's challenging business environment, distributors/resellers strive to continuously deliver successful results to their customers by providing a range of quality reliable cables backed with outstanding service, while controlling costs and maintaining control. 4SProducts Distributor/Reseller Program gives you the option of adding a broad range of power and communication cables to your product mix.

4SProducts is interested in expanding its current coverage and complementing its products and services, worldwide, by forming new partnerships. If you are interested in becoming a 4SProducts Reseller/Distributor partner, please complete and return this application by e-mail or fax.

We appreciate your interest in 4SProducts and look forward to hearing from you. Following review of your company application, 4SProducts will identify possible areas of alliance and contact you for further discussions.
